I'm writing to be sure you know that, because of the sheer volume of media inquiries on the Gold King Mine incident, we are posting regular updates – including press releases and frequently asked questions -- at [www.epa.gov/GoldKingMine](http://www.epa.gov/GoldKingMine).

If you have questions that can't be met through that material, please email [press@epa.gov](mailto:press@epa.gov) with "MEDIA REQUEST" in the subject line.

Thanks,

Cynthia Peterson

Hello,

I'm with CNN, and we're seeking EPA comment about the mine spill in Colorado. I've got a few questions about how it was triggered and the water testing process. Please give me a call at 404-304-4522.

Regards,
